

## Consumer Advocate Pledge Form

Consumer Advocates are the key players that connect South Shore Realtors® to the municipalities and communities they serve. A Consumer Advocate is expected to keep track of those issues related to real estate, homeowners, and private property rights affecting his or her community that are consistent with the Massachusetts Association of REALTORS® public policy statement with action as determined by the South Shore Realtors® Board of Directors.

By my signature below, I hereby certify that I have read each of the Consumer Advocate duties carefully and pledge to perform them to the best of my abilities.
