

## **South Shore Realtors® & MAR Veteran & Active Duty Program Information:**

As a way to say thank you to new and current Massachusetts REALTORS® who are serving (full-time active duty), have recently returned from active duty, or have spouses deployed, MAR & South Shore Realtors® have a Veterans Program. Through this program, MAR and South Shore Realtors® offer REALTORS®, who are active duty or are recent military veterans, free dues for at least a year. To qualify, you need to be full-time active duty or returned from active duty or deployment within 36 months prior to the date of your REALTOR® membership application. To apply, you need to submit your DD 214 form for honorably and medically discharged veterans (or equivalent documentation) to South Shore Realtors®. Depending on the date of the membership application, the state dues waiver will be in effect for 12-23 months (balance of the remaining membership year, plus 12 months). Contact South Shore Realtors® to see if you qualify and for more information on active duty and spousal deployment qualifications.

Thank you for serving!
